BEER...Brewed here!

On August 1, 2002, we introduced craft beer to Boerne. We brew in a 10 barrel (310 gallon) Bohemian Brewery system right here at the Duck. You can often spot Jan, our brewer, hard at work on our next recipe. It's fresh and unfiltered, stored at 34° and poured from stainless steel serving tanks through chilled lines. It has virtually no contact with light or air until it hits your glass, for the best tasting beer you'll ever experience!
